One Loft Race 2024 and
3rd Ace Pigeon

Crosshill Rose is a product
of crossing two well bred
performance pigeons
together.

Rose and her nestmate
6918 were the first
pigeons to be sent racing
from White Rock since we
bought him from the
RPR Auction. 6918 was
leading the ace pigeon
going in to the final race.

COMMENTS: SU24L 6919, **CROSSHILL ROSE**, she simply has it all. Pedigree, Performance, perfectly balanced in the hand with a beautiful eye. A clear winner on the day arriving on her own 3 mins clear of the pigeon in second and 12 mins in front of the pigeon in third. A very special pigeon in every way.
